

Healthy Families Indian River

The Healthy Families Florida program is run by the Ounce of Prevention Fund of Florida. It's a special program that helps families with support and advice. It's available to parents who are expecting a baby or who have a newborn and are dealing with tough situations. The program helps parents by giving them useful information and support from their community. This way, parents can create a safe and stable home for their children. All services are provided at home and are completely optional. To find out more, you can call or visit the [website](#).

Programs Focus on:

- Improving Educational Achievement
- Improving Maternal and Child Health Outcomes
- Promoting Health, Nutrition & Physical Activity
- Building Strong Families
- Making Communities Drug-Free
