

Find a Ride - Safe Mobility For Life

The Florida Department of Transportation (FDOT) runs a program called Safe Mobility for Life. One service they have is Find a Ride Florida. This service helps seniors find rides to doctors' appointments and other places they need to go, so they can stay independent. Find a Ride Florida doesn't give rides, but helps people find places to get a ride. Please call 386.362.5332 or visit the [website](#) to learn more.
