

Kids Central, Inc.

Kids Central helps children and families. They find and train foster parents. They have a program to help relatives who are raising children. They offer support groups, case workers, legal help, and fun family activities. They also help with clothes, food, baby items, and household supplies.

Family Support Programs help children, teens, parents, caregivers, and moms-to-be. This includes help for teens learning to live on their own, home visits for new parents, and support for pregnant women in jail.

At Kids Central, our mission of service, excellence, and caring is reflected in everything we do. We are dedicated to achieving measurable, positive outcomes for children and families in the Central Florida communities we serve. Please join us in creating brighter futures for children and families.

Protecting Children

Child safety is of utmost concern. Through child abuse prevention programming, diversion services, and case management coordination. Kids Central puts the safety and well-being of children first.

Supporting Families

Kids Central understands the importance of a family unit. If safely possible, we work to keep families together and strive to bring them back together through case management coordination and

diversion support services.

Engaging Communities

As the lead community-based care organization, the community's support and commitment are integral to Kids Central's mission. To build a child-centered community-based system of care, Kids Central assesses any gaps in available services, evaluates the needs of the community, and harnesses its strength.
