

Kids of HOPE

Kids of HOPE is a summer program that gives lunches to disadvantaged children. This program covers the time when schools are out in the summer and other school breaks. Families can pick up a week's worth of free lunches for their child. At the end of the summer, there is a Back to School Bash where they get school supplies so that they are ready like any other kid.

Hope Help's mission is to prevent and reduce homelessness in Central Florida. They help individuals and families to become self-sufficient through Housing, Outreach, Prevention, and Education.

Services include a food pantry and thrift store. They also have a resource center that helps with referrals and social services. Volunteers offer training courses on specific subjects. All of these services can be found at the Village of HOPE.

Please see the website for more details.
