

Adult Day Centers - Neighborly Care Network

This adult day care offers social programs in a safe and supportive setting. It also provides services that help prevent, treat, or improve health problems. These services are for adults who need extra care because of physical or mental challenges. Each person is checked by staff, and a care plan is made to meet their needs. Visit the [website](#) to learn more information.

Neighborly Care Network has been providing health and wellness programs to seniors and their families for 45 years. They started the first federally funded Meals on Wheels program in the United States in 1968. That same year, they opened the first Adult Day Care center in the nation. Please see the website for more information.
