

## [Find a Ride - Safe Mobility For Life](#)

The Florida Department of Transportation (FDOT) has a program called Safe Mobility for Life. One part of this program is Find a Ride Florida. It helps older adults find local transportation for things like doctor visits or errands. The goal is to help them stay independent in their communities. Find a Ride Florida does not give rides—it only helps people find transportation services nearby. Please call or visit the [website](#) to learn more.
