

Find a Ride - Safe Mobility For Life

The FDOT has a program called Safe Mobility for Life. One of its services is Find a Ride Florida. This service helps seniors find local transportation for things like doctor visits or errands. It helps seniors stay independent. Find a Ride Florida doesn't provide rides itself, it just helps people find transportation options near them. The program just helps people find transportation providers in their area. Please call or visit the [website](#) for more information.
